### IMPORTANT ORDERING & INSTALLATION INFORMATION:

- This tub has an extruded area on the drain side with a removable access panel for installation of waste and overflow kit (see image to the right). If the tub is ordered without the removable panel, the extruded area will still be visible and cannot be eliminated. Installation will be more difficult without the access panel.

- Before ordering or installing, please consider future access to equipment.
- When ordering an air bath, the air blower must be remote mounted.
- Virtual Spout option can only be installed on the drain side of tub.
- Specifications and configurations are subject to change without notice.
- Measurements are  $\pm 1/2"$  and are subject to change without notice.
- Measurements herein supersede all others published prior to publication date shown below.
