CONSTRUCTION AND STANDARD FEATURES

- Multiple threshold design; 3.5" drain opening pre-drilled.
- Low-profile, narrow threshold and shallow pan.
- Engineered with a concealed drain. Drain cover is removable for access.
- Pre-leveled foam base.
- Factory installed tile flange on 1, 2 or 3 sides to facilitate installation. PLEASE SPECIFY WHICH SIDES WHEN ORDERING.
- Constructed using MTI's SculptureStone® material which is a mixture of ground natural materials and binding agents that are liquefied, poured and then hardened.
- Approximately 65% of the material is organic, including minerals mined from the earth, making it "Green".
- Same material and color all the way through, with minor variations due to use of natural minerals.
- Durable, non-porous material is easy to clean.
- Stain, mold and mildew resistant.
- 5-year Limited Residential Warranty.

INSTALLATION: See installation instructions. Measurements are ± 1/2" and are subject to change without notice. Data herein supersedes all previous prior to publication date indicated below.
