Worksheet Instructions:

- Vanity Sink is available in 5 standard lengths ranging between 48" and 72". Enter exact size below. Custom lengths are not available.
- Overall height (34") and depth (22") are fixed and not customizable.
- Select whether faucet will be deck-mounted or wall-mounted.
- Enter specific bowl placement measurements for length and depth OR choose MTI's 'standard' recommended bowl placement. See next page to view 'standard' bowl placement drawings for each of the vanity lengths offered.
- Send this worksheet, along with order form and purchase order to the MTI order entry department.

Note: Due to the handcrafted nature of this product, please allow for a tolerance of up to 1/4" for overall dimensions and 1/2" for bowl placement.

Available vanity styles - choose from one of the following: See "Required Information" to the left and make a selection.

Parsons - featuring four legs with vanity open on all sides.

Waterfall - finished appearance on left & right side of vanity.

Additional construction and options information:

Integrated overflow can be installed on the inside back wall of sink.

Faucet Holes - up to 6 drilled.
Standard hole size is 1-3/8" in diameter.
Must provide specific drilling instructions on order form.

Backsplash / Sidesplash measures 4" (H) and 5/8" thick.
Field-installed on finished surface of vanity.

Shown above with optional backsplash.

Shown above without a backsplash.

Floating Shelf is available in four lengths: 24" (small), 30" (medium), 42" (large) and 48" (extra large). Each size measures 17" deep x 3" high and is open on the bottom side to accommodate mounting hardware (included). Wall-mounted floating shelf is designed to mount below the Vanity Sink. Shelf provides storage for towels, toiletries and a variety of bathroom accessories. *See ordering information below.*

Ordering Information:

- 24" shelf fits beneath Vanity Sink 36" and up.
- 30" shelf fits beneath Vanity Sink 42" and up.
- 42" shelf fits beneath Vanity Sink 54" and up.
- 48" shelf fits beneath Vanity Sink 60" and up.

Teak Sink Tray is an ideal Vanity Sink accessory, hand crafted to fit rectangular sink bowls. Both stylish and practical, the MTI teak sink tray can be used as a resting place for grooming articles and toiletries. Flat slatted teak design lets water and soap run through, so there is no residue build-up.
