Vanity Sink is simplicity itself. The clean, contemporary appearance is seamless, with integrated counter, sink and legs. Selection of sizes ranging from 24” to 72” in length depending on the bowl(s) selected. Standard height is 34” and depth is 18” or 22” depending on sink bowl(s) selected. Depending on the length selected, one or two sinks can be specified. Choose from a Parsons-style or Waterfall-style design as shown below, each giving the Vanity Sink a truly unique appearance.

A “floating” shelf (shown in above image) is also available in four lengths 24”, 30”, 42” and 48”. Each size measures 17” (D) x 3” (H). All are constructed in Engineered Solid Stone.

Any of the 12 bathroom sink bowls available for Counter-Sinks can now be selected for the Vanity Sink with either Parsons-style legs or Waterfall-style sides.

### Standard Features and Construction

- Engineered Solid Stone, material is solid through-and-through.
- Durable, non-porous material is easy to clean.
- Stain, mold and mildew-resistant.
- ESS is a mixture of ground natural materials and binding agents that are liquefied, poured and then hardened.
- Approximately 65% of the material is organic, including minerals mined from the earth, making it "Green".
- Utilizes a "Green" resin of combined renewable bio-derived and / or recycled content.
- Same material and color all the way through, with minor variations due to use of natural minerals.
- Five-Year Limited Residential Warranty.
