

Halo features an integrated slotted overflow.

Halo

52" x 52" x 26" / 25"*

*Available with a rolled rim or flat rim.
See drawing below.

GENERAL SPECIFICATIONS:

Material - Engineered Solid Stone (ESS®)

Installation - Freestanding

Flat rim version may also be undermounted.

Rollled rim version cannot be undermounted.

Not recommended as a tub / shower combination.

Soaker / Air Bath Weight - 364 lbs / 165 kg

Maximum Fill - 121 gal to overflow

NOTE: Filling this tub to the maximum may require an above average size or dedicated water heater.

SEE IMPORTANT ORDERING & INSTALLATION INFORMATION BELOW

Shown above as an Air Bath.

Note: Halo is available with a rolled rim, creating an overall tub height of 26". A flat rim may also be specified, which reduces overall tub height to 25".

Part numbers for either selection are listed on the following page.

ELECTRICAL SPECIFICATIONS:

Required Electrical Service 110 Volt
Air Bath 1-15 amp GFCI

CSA Certified C/US; ANSI Z124.1

See the "Boutique Collection Tubs Installation & Operation Manual" included with tub delivery or go to mtibaths.com/support/installation_operation/manuals for all the information necessary to install and operate the tub.

MTI's Customer Service Department is available Monday-Friday 8am-6pm EST at 800-783-8827 or customerservice@mtibaths.com to answer any questions pertaining to ordering or installation.

IMPORTANT ORDERING & INSTALLATION INFORMATION:

- Available with a rolled rim or a flat rim. Must specify correct part number on order.
- Includes an integrated slotted overflow, which only requires drain installation. May also be specified without an overflow (see local codes).
- Air baths require job site preparations for remote mounting the blower and required check valve. Check valve must be installed higher than the rim of the tub. The keypad is shipped loose and may be mounted on a nearby wall or decking. A waterproof remote control is also included. Please read installation manual prior to ordering.
- Requires use of a wall-mounted or freestanding tub filler.
- Measurements are $\pm 1/2"$ and are subject to change without notice.
- Options and accessories are packaged inside the tub crate for delivery.
- Data herein supersedes all prior to publication date shown below.
