2. DEVIL IN THE DETAILS

Dressed up with fresh details, these cabinets offer a contemporary twist and cottage feel to time-honored Georgian design. Two types of cabinet construction are available; one type comes with standard or custom hand-rubbed finishes. **Georgian Cottage cabinets**; Plain & Fancy; 800/447-9006; plainfancycabinetry.com

3. MIX AND MATCH

Rich hues, furniturelike elements, door inset details—this new cabinet collection offers the individuality and quality homeowners have come to expect in the bathroom. For the finishing touch, mirrors and accessories come to match. **Parkdale vanity**; Sagehill Designs; 800/888-6533; sagehilldesigns.com

4. ALL IN A PACKAGE

Semicustom cabinets include a host of new options: four new door mullion styles; expanded sizes for wall, tall, and base cabinets; new vanity sizes and combinations; more decorative features; and additional organizational accessories. **Masterpiece Line Fairlane Maple**, Merillat; merillat.com

5. VISION IN RED

This vanity is built for minimal impact but with an eye toward permanence. Crafted of Forest Stewardship Council hardwoods, each piece is finished for beauty and durability and resists household chemicals and moist surroundings. **Traditional vanity TNVT**; MTI Whirlpools; 800/783-8827; mtiwhirlpools.com

NOTHING BEATS A BATH

for getting away from it all right at home. Whether you're building or remodeling, include a spot to soak or massage your cares away.

1. IN DEEP

A crescent-shaped bench in this Japanese-inspired soaker rests low to the floor for maximum immersion. The cast-acrylic tub is 53 inches in diameter and almost 36 inches deep. **Yume soaking tub**, \$4,940; MTI Whirlpools; 800/783-8827; mtiwhirlpools.com

7. LESS IS MORE

These minimalist vitreous-china sinks are available in above-counter, undercounter, self-rimming, semirecessed, and wall-mount (shown) styles. The shroud is optional. **Liano 649308W, 812268W**, \$339 and \$172; Caroma USA; 800/605-4218; caromausa.com

8. TWICE AS NICE

This double semirecessed sink looks like natural stone, but it's nonporous solid-surfacing material. Choose White or Biscuit and a matte or gloss finish. **Petra Double**, \$1,249; MTI Whirlpools; 800/783-8827; mtiwhirlpools.com

just washing your hands becomes a daily treat.

11. FRAGILE? NO WAY.

Here's one vessel sink you won't worry about breaking. The clarity and strength of tempered glass paired with thick walls mean this is built to last. This green-tint basin has an outside diameter of about 18 inches. **Segment GV105RRD**, \$1,280; Xylem; 866/395-8112; xylem.biz

12. AN INNER GLOW

Order this 55-inch-wide wall-mount unit's deck in one of nine colors of resin (this is Green Apple). Both support a 36-inch-wide stainless-steel basin. Optional lighting creates drama. **Ebb 9112-WM-MC**, \$6,000 as shown with lights; Neo-Metro; 800/591-9050; neo-metro.com
