Important Safety Instructions

This manual contains information and instructions for proper handling, operation and maintenance of your Matrx shower system. Failure to follow these instructions could result in personal injury, electrical shock or fire.

WARNING: WHEN USING ELECTRICAL PRODUCTS, BASIC PRECAUTIONS SHOULD BE FOLLOWED INCLUDING THE FOLLOWING

Do not permit children to use this unit unless they are closely supervised by an adult at all times. Supervision is also required when product are used by an elderly or handicapped individual.

Never leave a running shower unattended.

Use this unit only for its intended use as described in this manual. Do not use attachments not recommended by The Manufacturer.

DANGER

Never operate electrically connected devices in or within 5' of the shower.

To reduce the risk of injury, enter and exit the shower slowly.

To avoid the possibility of personal injury and discoloration of the surface, the inlet water temperature should not exceed 60˚ C (140˚ F).

Installer/Owner bears all responsibility to comply with all state and local codes when installing this product.

SAVE THESE INSTRUCTIONS

Installation Instructions – General

Read all instructions before installing the shower base or any portion of the shower system. The manufacturer recommends using a professional installer for this product. Installer/product owner is responsible for complying with all state and local codes.

WARNING: Certain cleaning products will permanently damage the surface. Read product label carefully before using any cleaning product. Never use anything abrasive, aerosol sprays or any product that is described as "scrubbing bubbles." Please see 'Care & Cleaning Instructions' on pg. 7.

BEFORE INSTALLING

- Inspect product(s) thoroughly.
- Damage from shipping or delivery must be reported to carrier immediately. **Do not install damage unit(s). The manufacturer is not responsible for damage that occurs during transit.**
- Any factory defect must be reported to **The Manufacturer** before unit is installed. Defects or damage claimed after installation will be excluded from warranty.
- Measure shower base on site carefully to ensure proper fit into planned opening. Factory-installed tile flange is 1/16" thick. Account for this thickness for each side with flange when planning final opening size.
- Specifications are subject to change without notice. **The manufacturer** is not responsible for any preparatory labor or materials.
- **Always protect product(s) from construction damage by using a protective cover.** Damage, Including chips and scratches Incurred at the jobsite are excluded from warranty, but may be repaired by a qualified technician at the owner's expense. Do not stand in the shower base prior to installation or store materials in the unit during construction. Shower bases and other shower system products are intended for indoor use and warrantied for indoor installation in a climate controlled environment only.
- Do not store product in temperatures below 32° Fahrenheit.

Never leave a running shower unattended.

WARRANTY CARDS

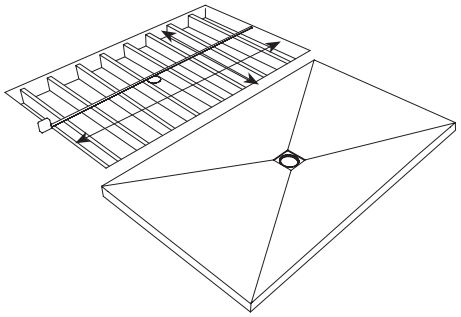

IMPORTANT: Locate and note your serial number on the cover of this manual for any future service needs.

TILE FLANGE INSTALLATION

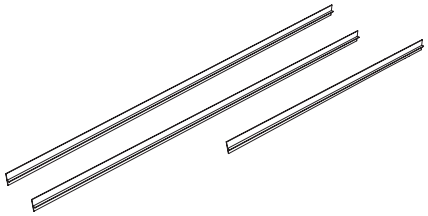

1. Place shower base on flat surface. Make sure base is free of dust or residue. Use water and a cloth rag to wipe down base.

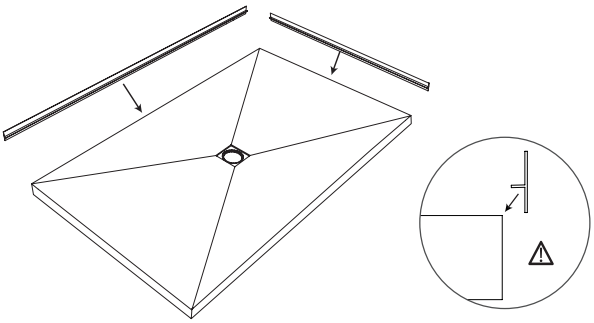

2. Determine which way shower base will need to be tile flanged using drain location and thresholds for orientation.

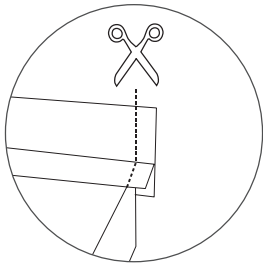

3. 3 pieces of tile flange are included in box—two “long” pieces and one “short” piece. They are longer than what is required so that they can be trimmed to size.

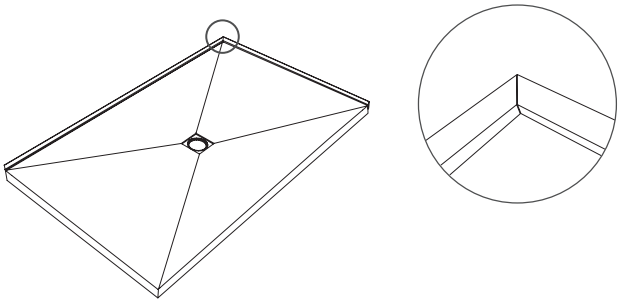

4. Measure tile flange by dry fitting it. Place tile flange against side of base that needs to be flanged flush with one edge of base. There will be a few inches hanging off other end. Secure flush end with masking tape.

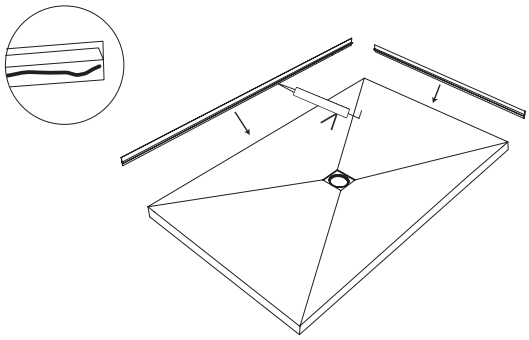

5. Trim excess off at other end. Repeat for all sides of tile flange, if necessary.

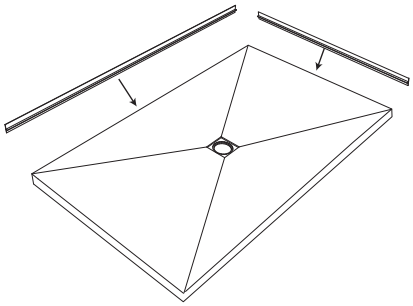

6. Where two pieces of tile flange would meet in the corners, cut rubber edge at 45 degree angle to ensure that the pieces join together without overlapping.

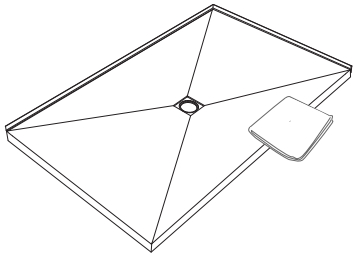

7. Now that all pieces of tile flange are cut to size, lay them on a flat surface and apply continuous bead of polyeurethane construction adhesive between strip and rubber edge. Tuck tile flange under base to help hold it down.

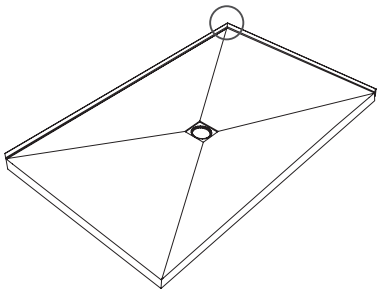

8. Line tile flange up against base and securely press in a downward motion, but also press in towards base. Make sure adhesive is making contact with base on its edge, while the rubber edge should be flush with surface of base.

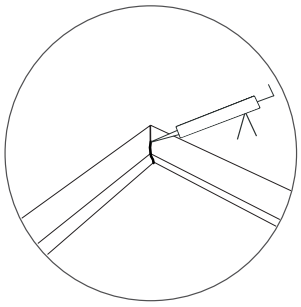

9. To clean up excess polyeurethane construction adhesive on or around base, wait until polyeurethane construction adhesive is tacky before wiping with DRY cloth rag. Use alcohol to remove stubborn spots Alcohol will not allow caulk to cure completely; it should be used last to allow glue to dry as much as possible.

10. Use masking tape along back side of corners to join them together at a 90 degree angle. Apply polyeurethane construction adhesive to seam them together. Remove tape once polyeurethane construction adhesive is fully dried.

SHOWER BASE INSTALLATION

CHECK SUBFLOOR

- Check floor surface for level.
- The area supporting the shower base must be perfectly level and flat without dips or waves in the surface.
- Add floor prep where needed.

INSTALL SHOWER DRAIN

Install one of the recommended shower drain kits

- **Oatey 42099** or **Westbrass D206P** using 100% Silicone
- Install Drain Body to base using silicone, prior to setting base with adhesive.

INSTALL ADHESIVE

Install a ¼" dollop every 4"

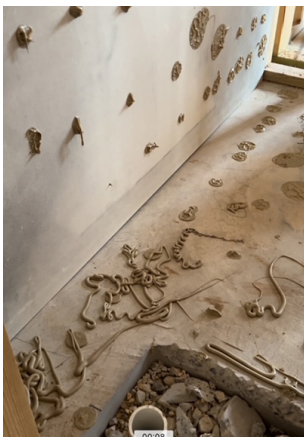

Only use a polyurethane based adhesive like:

- Liquid Nails (Heavy Duty)
- Loctite (PL Premium)
- Sika (SikaBond)
- DAP (Premium)
- Titebond (Fast Set)

TIP: Stay approximately 2" away from the edge of the base when applying the adhesive. This will help to keep it from protruding out from under the base.

SET & CHECK

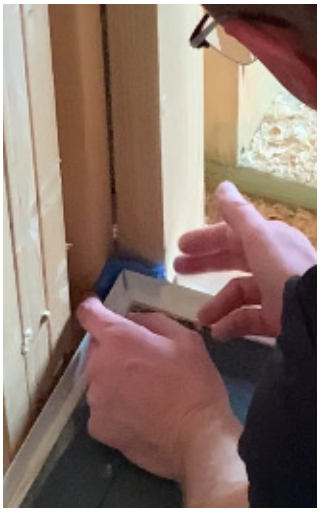

Install the base on top of the adhesive.
Check for level

- We suggest lifting the base up to make sure the adhesive is making full contact to the bottom of the base.
- Add more adhesive if needed. Then reset the base and recheck for level.

INSTALL THE TILE FLANGE

Install the tile flange

- Install the provided tile flange only on the walls to be tiled
- Start by adding polyurethane adhesive or 100% pure silicone to the top edge of the base where the tile flange will be applied.
- Remove the double-sided sticky tape that is already applied to the bottom side of the tile flange.
- Install flange by pressing down firmly and make sure it is sitting flush on top of the base.
- Add tape behind the tile flange where it turns a corner. Then apply more polyurethane adhesive or 100% pure silicone to ensure a tight continuous seal.

SHOWER DRAIN

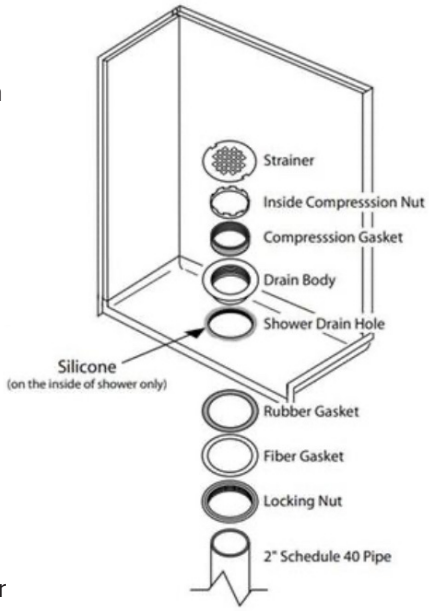

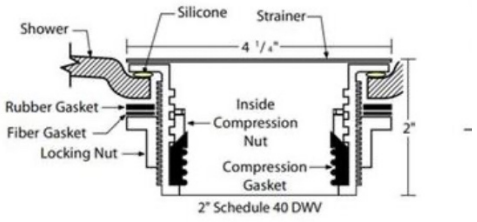

Cut drainpipe, install Compression Gasket, Inside Compression Nut & Strainer.

- Remove inside compression nut and compression gasket.
- Apply silicone around the shower drain hole on the inside of the shower only.
- Install the drain body in the shower drain hole.
- Install the rubber gasket, fiber gasket and the locking nut and tighten.
- Install the shower drain over the drain pipe or install the pipe later.
- Slide the inside compression gasket into drain body and slip over pipe. Make sure that the beveled end of the inside compression gasket is facing up and is flushed with the pipe surface.
- Tighten inside compression nut into drain body using the provided tool compression nut into drain belly

FINAL STEPS

Install Drain Cover

- Cover the base to protect it from the next trades that will be on site

Care and Cleaning Instructions — Mineral Composite

- For routine cleaning (after showering), simply rinse the base with water and ensure sufficient ventilation of the bathroom.
- For gentle cleaning, the base should be rinsed with water and any commercially available neutral bathroom cleaner and wiped with a non-abrasive cloth or sponge.
- Avoid the use of cleaning products or disinfectants containing alcohol. Avoid contact with lacquers, nail polish removers, solvents, acids, etc. Abrasive products (scouring pads, cloths or similar) are not suitable, as they can damage the surface.
- To remove any limescale that may remain on the base, use a household limescale remover or white vinegar diluted with water 1:3 (1 part vinegar to 3 parts water). Remove the rack and apply the mixture with a damp cloth (non-abrasive) to cover the surface. Leave for 15 minutes and rinse completely with water. In case of stubborn stains, you can use the "magic erasers", which are available in any supermarket.
- If hair dyes or bleaches are used, rinse the shower base with soap and water after showering.
- To clean or remove stubborn stains on silexpol elements

WARNING: Never use rough scrub, solvents, alkaline, acid or abrasive products

General Care

- Do not allow the mineral composite surface to come into contact with nail polish, nail polish remover, Wintergreen oil, dry cleaning solution, lacquer thinners, gasoline, pine oil, etc.
- Avoid using razor blades or other sharp objects that might scratch the surface.
- The manufacturer strongly recommends a professional surface repair person for deep scratches, chips or gouges.
- Damage occurring to the unit during installation is the responsibility of the installer, and after installation, the responsibility of the user.

Residential Limited Lifetime Product Warranty

MTI Baths, LLC ("Manufacturer") offers this Residential Limited Lifetime Product Warranty (this "Limited Warranty") to the original non-commercial purchaser[1] ("Purchaser") of the Matrx mineral composite shower base ("Product" or "Products").

1. Limited Warranty. Manufacturer warrants to Purchaser that, subject to the terms, conditions and limitations set forth herein, for the lifetime of the Product from the date of purchase, the Product shall be free of defects in material and workmanship. Notwithstanding the foregoing, with respect to Product accessories manufactured by Manufacturer, Manufacturer further warrants that such accessories, including Teak Seats, shall be free of defects in material and workmanship for a period of one (1) year from the date of purchase of such accessory. Slight variations in the appearance of the natural stone shell, and blemishes, air holes or casting marks on the underside of the Product are excluded from this Limited Warranty. Display floor models and overstock sale units are excluded from this Limited Warranty. Drain kits and accessories that are manufactured by third parties are excluded from this Limited Warranty. Oral statements made by Manufacturer or its representatives and written descriptions of the Product other than as set forth in this Limited Warranty do not constitute a warranty on behalf of Manufacturer.

2. Application; Limitations; Exclusions. The Limited Warranty set forth in Section 1 is subject to the following limitations and conditions, and will be rendered null and void in the event of a failure to meet any of the following conditions:

a. The Product must:

i. have been purchased from an authorized Matrx distributor or retailer within the boundaries of the continental United States on or after March 1, 2023, paid for in full, and installed within the boundaries of the continental United States[2];

ii. have been installed, maintained and used in strict accordance with instructions provided by Manufacturer, including without limitation maintenance and usage guidelines, and generally accepted standards;

iii. be used for the limited purposes of personal, family or single household purposes;

iv. have been installed in an indoor, climate-controlled, residential environment;

v. have been water tested for proper drainage, system operation, and leak detection prior to completion of installation;

vi. not have been altered, customized, modified or repaired, including without limitation, installing the Product with any accessories or by any means not approved in writing by Manufacturer, placing or attaching structures, fixtures or utilities upon or to the Product, installing vents or manual perforations or penetrations, in each case without having obtained prior written authorization from Manufacturer;

vii. not have been damaged:

1. due to normal wear and tear;

2. due to unauthorized or unreasonable use or improper handling, including without limitation, damages caused by leaving a running shower unattended;

3. by freight carriers, installers, users or other third parties;

4. due to accidents or acts of God, including without limitation, earthquakes, floods, or other storms;

5. due to failure to follow Product instructions; or

6. due to incorrect operation or lack of proper routine maintenance, including without limitation, the use of improper cleaners or abrasives or from food, beverages, bathing products with harmful dyes or other contents, medicinal products, make-up or hair dye, cigarette burns or burns from hot appliances or other misuses of any kind.

b. Manufacturer does not warrant the compatibility of the Product with any product manufactured by any third party.

c. This Limited Warranty extends only to the original purchaser of the Product and shall terminate immediately: (i) upon any transfer of ownership of the Product; or (ii) if the Product is installed or relocated outside of the boundaries of the continental United States. Proof of purchase must be provided by Purchaser promptly upon Manufacturer's request.

---

[1] Commercial purchasers should refer to the Commercial Limited Two-Year Product Warranty.

[2] **THE FOLLOWING APPLIES TO ALASKAN AND CANADIAN NON-COMMERCIAL CUSTOMERS ONLY.** This Limited Warranty shall extend to any Product installed within a 75-mile radius of an authorized Matrx distributor or retailer. Any Product installed outside the 75-mile radius shall be covered by this Limited Warranty for a period of two (2) years from the date of purchase, and shall be limited to parts replacement only. **THE FOLLOWING APPLIES TO HAWAIIAN NON-COMMERCIAL CUSTOMERS ONLY.** This Limited Warranty shall extend to any Product installed on the islands of Maui, Kauai and Oahu only. Any Product installed elsewhere in Hawaii shall be covered by this Limited Warranty for a period of two (2) years from the date of purchase, and shall be limited to parts replacement only.

d. Purchaser must have registered the Product within one hundred twenty (120) days from the date of purchase. Registration may be completed online at https://mtibaths.com/matrx or mailed to Matrx Product Warranty at 5203 Bristol Industrial Way, Buford, Georgia 30518.

e. Purchaser must have notified Manufacturer of any claim under this Limited Warranty in writing within ten (10) days of the date Purchaser discovers, or should have discovered, the issue giving rise to the claim. All such claims must be submitted to showerbase@mtibaths.com. To be valid, all claims must identify the date of discovery, a description of the defect, the name and address of the installer of the Product, the date and address of installation, and the type or style of the Product.

f. Damages that occur in transit are the responsibility of the carrier. Purchaser or persons(s) acting on behalf of Purchaser must open and inspect the Product for damage when delivered. If the Product is damaged upon delivery, Purchaser must notify the carrier and Manufacturer in writing immediately and an inspection must be requested. All freight claims must be filed within ten (10) business days.

3. Warranty Performance; Limited Remedy. If the Product is the subject of a valid warranty claim in accordance with this Limited Warranty, Manufacturer will, at its sole option: (i) replace the defective Product; or (ii) repair or make appropriate adjustments to the Product.

Manufacturer reserves the right to inspect the malfunction or defect on site and repair or replace the Product at its discretion. In all instances, a reasonable amount of time must be allowed for commencement and completion of warranty repairs, replacements, or adjustments. Repairs will be made by an authorized Matrx repairer. Replacement parts and/or repair services authorized under the terms of this Limited Warranty will result in the issuance of a service order number. No payment for services rendered will be made by Manufacturer without an Matrx authorized service order. Manufacturer cannot guarantee that the Product currently in use will be available in the future. Product replacement is subject to availability and replacement Products may differ from those originally supplied.

Manufacturer is not responsible for labor charges or other charges related to the removal or installation or other costs involved in repairing or replacing the Product or the expense of shipment to or from the factory, except where provided by applicable law. Manufacturer is not responsible for the cost of removing or reinstalling the Product or costs associated with any adjacent materials. Changes in materials, parts or specifications are not valid reasons for product refusal or replacement under warranty claims.

To the greatest extent permitted by applicable law, the remedy set forth in this Section 3 is the sole and exclusive remedy for any claim based on the Product's failure to meet this Limited Warranty. THIS LIMITED WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, STATUTORY OR OTHERWISE, EXPRESS OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND THE CONDITOIN OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE.

4. Disclaimer. TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL MANUFACTURER'S LIABILITY EXCEED THE PURCHASE PRICE PAID TO MANUFACTURER FOR THE DEFECTIVE PRODUCT. MANUFACTURER WILL HAVE NO LIABILITY WHATSOEVER FOR ANY INCIDENTAL, SPECIAL, INDIRECT, CONSEQUENTIAL, OR PUNITIVE DAMAGES IN CONNECTION WITH THE PRODUCT OR ITS USE, WHETHER OR NOT FORSEEABLE AND WHETHER OR NOT WARRANTOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. MANUFACTURER WILL NOT BE LIABLE FOR WATER DAMAGE TO CARPETING, FLOORS OR CEILINGS.

5. Additional Information. To obtain additional information about this Limited Warranty or Manufacturer's obligations please contact the Matrx Service Department at 800.783.8827 or email showerbase@mtibaths.com. Must have registration number available.

6. Waiver. Any failure of Manufacturer to enforce any terms and conditions set forth in this Limited Warranty shall not be deemed a waiver of such provision.

7. Entire Agreement. This writing constitutes the final, complete, and exclusive expression of the terms of the parties' agreement. Any modifications hereof, to be effective, shall be in writing, shall expressly refer to this Limited Warranty, and shall be signed by an authorized representative of the parties hereto.

8. Governing Law. This Limited Warranty shall be governed by and construed in accordance with the laws of the State of Georgia, without regard to the laws of such jurisdiction relating to conflicts of laws.

9. Severability. In the event that any provision contained herein shall be deemed invalid, illegal or unenforceable in any respect in any jurisdiction, all remaining provisions shall remain in effect and such invalid, illegal or unenforceable provision shall be reformed so that it would be valid, legal and enforceable to the maximum extent permitted.

Commercial Limited Two-Year Product Warranty[1]

1. Limited Warranty. Manufacturer warrants to Purchaser that, subject to the terms, conditions and limitations set forth herein, for a period of two (2) years from the date of purchase, the Product shall be free of defects in material and workmanship. Nothwithstanding the foregoing, with respect to Product accessories manufactured by Manufacturer, Manufacturer further warrants that such accessories shall be free of defects in material and workmanship for a period of one (1) year from the date of purchase of such accessory. Slight variations in the appearance of the natural stone shell, and blemishes, air holes or casting marks on the underside of the Product are excluded from this Limited Warranty. Display floor models and overstock sale units are excluded from this Limited Warranty. Drain kits and accessories that are manufactured by third parties are excluded from this Limited Warranty. Oral statements made by Manufacturer or its representatives and written descriptions of the Product other than as set forth in this Limited Warranty do not constitute a warranty on behalf of Manufacturer.

2. Application; Limitations; Exclusions. The Limited Warranty set forth in Section 1 is subject to the following limitations and conditions, and will be rendered null and void in the event of a failure to meet any of the following conditions:

a. The Product must:

i. have been purchased from an authorized Matrx distributor or retailer within the boundaries of the continental United States on or after March 1, 2023, paid for in full, and installed within the boundaries of the continental United States[4];

ii. have been installed, maintained and used in strict accordance with instructions provided by Manufacturer, including without limitation maintenance and usage guidelines, and generally accepted standards;

iii. have been installed in an indoor, climate-controlled, commercial environment;

iv. have been water tested for proper drainage, system operation, and leak detection prior to completion of installation;

v. not have been altered, customized, modified or repaired, including without limitation, installing the Product with any accessories or by any means not approved in writing by Manufacturer, placing or attaching structures, fixtures or utilities upon or to the Product, installing vents or manual perforations or penetrations, in each case without having obtained prior written authorization from Manufacturer;

vi. not have been damaged:

1. due to normal wear and tear;

2. due to unauthorized or unreasonable use or improper handling, including without limitation, damages caused by leaving a running shower unattended;

3. by freight carriers, installers, users or other third parties;

4. due to accidents or acts of God, including without limitation, earthquakes, floods, or other storms;

5. due to failure to follow Product instructions; or

6. due to incorrect operation or lack of proper routine maintenance, including without limitation, the use of improper cleaners or abrasives, or from food, beverages, bathing products with harmful dyes or other contents, medicinal products, make-up or hair dye, cigarette burns or burns from hot appliances or other misuses of any kind.

b. Manufacturer does not warrant the compatibility of the Product with any product manufactured by any third party.

c. This Limited Warranty extends only to the original purchaser of the Product and shall terminate immediately: (i) upon any transfer of ownership of the Product; or (ii) if the Product is installed or relocated outside of the boundaries of the continental United States. Proof of purchase must be provided by Purchaser promptly upon Manufacturer's request.

d. Purchaser must have registered the Product within one hundred twenty (120) days from the date of purchase. Registration may be completed online at https://mtibaths.com/matrx or mailed to Matrx Product Warranty at 5203 Bristol Industrial Way, Buford, Georgia 30518.
